June 2026 Edition by Ma. Jessica Habermehl -LED

Welcome to June! The sun is shining, the days are beautifully warm, and our home is buzzing with life. We are soaking up every bit of this gorgeous weather, and there is so much to look forward to this month.

Grab a cool drink, check out what's going on for this month, and let's make some wonderful summer memories together!

Memorial Day Celebration

Last Month , our residents gathered together to remember our brave heroes for Memorial day. Our amazing Kitchen Manager and staff prepared delicious food ,a special time to remember and honor those served and sacrificed, while enjoying each other's company.

What's Happening This Month?

- **Peak Rehab Grand Opening & Open House**

We are kicking off June with a major milestone! Join us as we officially open **Peak Rehab** with a community Open House. We are thrilled to introduce this new space and the enhanced therapy services it brings to our residents. Stop by, tour the space, and celebrate with us!

- **From Seedlings to Sunshine: Garden Transfer Day**

Our residents have been working hard tending to their indoor seeds, and guess what? They have officially sprouted! This month, we are heading outdoors to transfer our young plants into their permanent summer homes. We can't wait to watch our garden grow.

- **Summer Florals with Marie**

We are looking forward to our very first flower arrangement class of the year! Marie from The Care Team will be hosting this special session, helping residents create vibrant, beautiful bouquets to brighten up our home.

- **Music Time with Gabe Couch**

Back by popular demand, the incredibly talented **Gabe Couch** will be returning to serenade our residents with some favorite tunes. Get ready for an afternoon of wonderful music, toe-tapping, and singing along!

With the warm breeze calling our name, we are moving the fun outside!
