UNION COURT HAPPENINGS...

As we step into May, nature shows us what it means to bloom again. As you walk around our courtyard you will see trees stretch toward the sun, flowers unfurl with quiet determination, and the warmth of the sun tell us spring has definitely arrived. This month, let's focus on planting plants— of connection, compassion, and joy. Let's celebrate the little things: a morning coffee with a friend, a moment of laughter, a new idea for making life here even more beautiful. This month we will be planting our courtyard gardens. We would like to thank the St. Charles football and baseball teams for helping with our courtyard clean-up. They did a fantastic job!
